

SSC GD Syllabus and Exam Pattern*

These topics are specifically mentioned in the official [SSC GD notification](#) released on 01st December 2025 on page number 16 and 17. The official SSC GD notification states that the Computer Based Exam contains 80 questions carrying 2 marks each. Candidates get 60 minutes to complete the paper. The questions are of Matriculation level.

SSC GD Exam Pattern

The SSC GD Computer Based Examination consists of four sections. Each section contains 20 questions and carries 40 marks.

Part	Subject	Questions	Marks
Part-A	General Intelligence & Reasoning	20	40
Part-B	General Knowledge & General Awareness	20	40
Part-C	Elementary Mathematics	20	40
Part-D	English/Hindi	20	40
Total	4 Subjects	80	160

The examination contains objective multiple-choice questions. There is a negative marking of **0.25 marks for each wrong answer**.

1. SSC GD Reasoning Syllabus

The General Intelligence and Reasoning section tests analytical ability and the ability to observe and identify patterns. The official syllabus mainly includes questions of a non-verbal nature.

Important topics are:

- Analogies
- Similarities and Differences
- Spatial Visualization
- Spatial Orientation
- Visual Memory
- Discrimination
- Observation
- Relationship Concepts
- Arithmetical Reasoning
- Figural Classification
- Arithmetic Number Series
- Non-Verbal Series
- Coding and Decoding

The official SSC notification lists these areas under General Intelligence and Reasoning.

2. SSC GD General Knowledge and General Awareness Syllabus

General Knowledge and General Awareness is another important section of the **SSC GD Syllabus**. This section checks a candidate's general awareness of the surrounding environment. It also includes current events and everyday observations.

The important areas include:

- Current Events (Current Affairs)
- Everyday Observations and Experiences
- Sports
- History
- Culture
- Geography
- Economic Scene
- General Polity
- Indian Constitution
- Scientific Research
- India and its Neighbouring Countries
- General Awareness

The official syllabus also states that questions may cover India and neighbouring countries, especially sports, history, culture, geography, economic matters, polity, the Constitution and scientific research.

3. SSC GD Mathematics Syllabus

The Elementary Mathematics section checks basic mathematical knowledge and calculation ability. The syllabus includes:

- Number Systems
- Whole Numbers
- Decimals
- Fractions
- Relationship Between Numbers
- Fundamental Arithmetical Operations
- Percentages
- Ratio and Proportion
- Averages
- Interest
- Profit and Loss
- Discount
- Mensuration
- Time and Distance
- Ratio and Time
- Time and Work

4. SSC GD English/Hindi Syllabus

The fourth section is English/Hindi.

The official notification states that this section tests candidates' ability to understand basic English/Hindi and their basic comprehension.

Candidates should therefore focus on:

- Basic Grammar
- Vocabulary
- Basic Comprehension
- Sentence Understanding
- Common Words
- Language Usage

Regular reading and practice can help improve performance in this section.
