

UP Sainik School Class 9 Syllabus: Exam Pattern and Subject-Wise Guide*

Captain Manoj Kumar Pandey U.P. Sainik School, Lucknow conducts the Class 9 entrance examination every year for eligible candidates. As you know that UP Sainik School Society manages two schools: **UP Sainik School, Lucknow & UP Sainik School, Gorakhpur**. The entrance exam is common for both schools. The entrance test evaluates students in **English, GK, Mathematics and Reasoning**. Therefore, understanding the important topics of syllabus helps students prepare in the right direction and avoid unnecessary topics.

The entrance examination is conducted according to the admission rules and syllabus. It is clearly mentioned in the **prospectus (2026-27) on page number 7**. The questions will follow the **standard UP Board, CBSE or ICSE syllabus**. So, we can say that **UP Sainik School Entrance Exam is tough** in comparison of AISSEE and equivalent to RMS. The Topics given below are based on Previous Year Papers and Sample Papers Available on Official Website.

UP Sainik School Class 9 Entrance Exam Pattern

Before starting your preparation, you should understand the exam pattern. It helps you manage your study time and gives more attention to high-scoring subjects.

According to the prospectus, the entrance examination consists of four subjects. Mathematics carries the highest weightage. Therefore, students should practise numerical questions regularly.

Subject	Number of Questions	Marks
English	50	50
General Knowledge	50	50
Mathematics	75	75
Intelligence	25	25
Total	200	200
